

Warranty Activation

Thank you for choosing Frederique Constant.

Could you please take a few moments to activate your warranty by completing this form.

Please note your serial number is located on the back of your watch. Please fill out the date of purchase from your sales receipt.

Your Frederique Constant timepiece must be registered within 60 days of purchase.

Warranty period begins from purchase date. Valid receipt from an official Frederique Constant retailer is required for all warranty service requests. Please see the complete International Warranty text on this website for more information.

You may also activate your warranty via an IOS or Android App

(Link for IOS and Android devices)
